## Upcoming Chapter Meeting:

Our next chapter meeting will be held Sunday, September 24 from 11 to 3 at the Railroad Museum in Dennison, Ohio. We have the Red Room reserved.

**DIRECTIONS:** The website address is [dennisondepot.org](http://dennisondepot.org).

**FROM THE NORTH:** I-77 to US-250 East. Go to the Dennison exit and turn right on Second Street. When you reach the tracks, turn left and go two blocks to the station. Parking is on your left.

**FROM THE SOUTH:** I-77 to US-36 East in Newcomerstown. Go to the Dennison exit and turn right on Second Street. When you reach the tracks, turn left and go two blocks to the station. Parking is on your left.

We will have guided tour of the museum starting at 11:30, taking about an hour, after which we will return to the Red Room for lunch, served by the Trax Diner at the museum. Members will order from the menu at their own expense. The diner has a Sunday brunch priced at \$6.99, or meals can be ordered from the regular menu.

The museum has a regular \$3 entry fee, but since we are renting the room, the fee is to be waived. At any rate, the museum has a \$1 discount coupon that can be printed off the internet. The business meeting will be held after lunch, which hopefully won't be too long since we have to be out of the room by 3, when the museum closes.

As you are probably aware, Gary Cost has recently emailed out his resignation as Chapter President, due to increased family personal obligations that are taking most of his free

time. Several officers have suggested Gary take a temporary leave of absence rather than an outright resignation if he thought his situation could be resolved in the not too distant future. He is agreeable to that if the members approve. National president Al Buchan advises that a leave of absence is permissible, pending approval of the chapter officers and members. This will be on our agenda at the Dennison meeting.

There will be a table set aside in the meeting room to display models. Every member is encouraged to bring a model of a PRR subject that you have built, or are in the process of building.

See you in Dennison.

## Newsletter Articles:

-  
If you have any interesting articles, pictures about anything regarding the PRR, please get them together and send them to Gene Stebbins, 2075 Maplewood Road, Stow OH 44224, or Email to [Genejudys@peoplepc.com](mailto:Genejudys@peoplepc.com). Please include the information as to who took any pictures included, as well as whose collection it belongs to so we can then give them full credit. All items will be returned upon request.

Our goal is to have articles and pictures of every town, station, tower and operations of every point along the PRR Buckeye Region right-of-way!
