### **Lines West – Buckeye Region**

Announcing our next meeting to be held on Sunday, June 1, 2014 at the Upper Arlington **Main Library**, 2800 Tremont Road, Upper Arlington, 1 - 4:30pm. We will meet in the 'Friends Theater Room' located in the basement, *lower level*, section of the library.

[FYI. Just so no one gets lost...This meeting is being held at the Upper Arlington **Main Library** and **not** the Lane Road Branch, as we have met there in the past. So, fire up your boilers and plan to steam to our June 1, 2014 meeting.] The business meeting will be held at 1:30 p.m. followed by an interesting history program by member Bill Brubach. The title of Bill's program is "The Great Flood of 1913 and Its effect on the P.R.R." ***2014 Chapter dues are past due \$10.00. You will not receive another newsletter if your dues are not paid.***

**Member Chris Walsh has put countless hours into his PRR HO scale layout.**

Chris's fine collection of PRR steam and diesel power adds much to this unique detailed scene.

The coal mine scene is another fine example of creative design and a countless number of Chris's dedicated hours in construction. *All photos by Ron Widman. 3/24/2013*
