#### Lines West – Buckeye Region Chapter.

The Lines West-Buckeye Region Chapter meeting will be on **Saturday, June 4, 2016** at the **Bradford, Ohio, 2016 RAILROAD HERITAGE FESTIVAL. 10 a.m. to 4 p.m.** (See Special Bradford flyer/information page in newsletter). Members are planning to attend this special event in the PRR town of Bradford. Carpooling is recommended...share gas, ride and visit with your fellow members.

**News from Chapter President Al Doddroe:** “Reminder: PRRT&HS Annual Meeting is 19-22 May in Camp Hill, Pa. The annual meeting is always an entertaining affair. Hope we can get a good turnout of our chapter members!”

“The Lines West-Buckeye Chapter summer meeting will be Saturday, 4 June 2016 in Bradford Ohio in conjunction with The Bradford RR Museum Festival. (**2016 Railroad Heritage Festival**) The museum address is: 299 N. Miami Avenue, Bradford, Ohio. There is a \$5.00 Fee. The museum has a slate of activities (see attached flyer). I am advised that Carillon Park is bringing their portable train for visitors to ride, and that Davis Orozi is putting together a photo show of Bradford photos. Looks like an enjoyable outing and hopefully we will get a good turnout of chapter members to support the Bradford group. They have done a good job with museum updates, plus they have restored the PRR Bradford Tower. More information on the museum group activities can be found at: [www.bradfordrrmuseum.org](http://www.bradfordrrmuseum.org)”

*[Short business meeting and time...to be held according to plans made at the Bradford Festival on Saturday.]*

*“In addition to the Bradford activities, Chapter member Gary Salzgeber will have his HO layout open for visitors in the late afternoon Saturday for members on the way home to the Columbus area, from Bradford. Gary encourages all of us to stop in to see his PRR layout. His address is 2482 Pullins Drive, Urbana, Ohio 43078.”*

Gary’s home is approximately 1/3 mile S.E. on Rt. 29 from Urbana going east on Rt. 36. (Note most maps will call Gary’s street as “Pullins Woods Drive”. Gary says ignore the name “Woods” and follow the Pullins Drive address.) **Call Gary @ 937/652-1883.**

**Similarly:** The historical 1894 PRR Passenger station is just 3-4 blocks west of downtown on Rt. 36 & the historic PRR “NX-23” (may be 1 of 4 left) boxcar built in 1913 and in 1943 it was converted to a cabin car. **Also:** The old (*No pun intended*) NYC freight station across the street is privately owned and can be seen also, outside only. Likewise visit the old Erie freight station as it is just east along the bike path, 2-3 blocks and east of the PRR station. (See map which will lead you to member Gary Salzgeber’s home and PRR layout in Urbana.)
